Here lies the dead outlaws who lived  
One of the gang made a deal with Pinkerton Jesse  
Told Frank I'm goin' out with a bang shot in the back  
As soon as he turned his head  
The Midwest wranglers of eighteen seventy-six  
Show down in front of saloons with Billy the kid

We gotta go rob a train and we're takin' down all the  
bank  
Will have money tonight sit by the fire tellin'  
Whiskey fibs sippin' off a still in Warstoryville  
Flip the coin will ya live or will ya kill?

Sippin' off a still in Warstoryville  
The glory in the stories of the west  
50 men died last night in a bar room brawl  
A bordello wench got drunk and caused it  
All the Indians had their way, war paint on their face  
A cowboy crawled and put the chief away
