I don't lie to you
who are you
I do believe you
I do believe you

I do believe believe
believe believe
I do believe you
I do believe you

I do believe you you you
I do believe you you you
I do believe you you

I do believe you you

I do believe you you you
I do believe you you you
I do believe you you

I do believe you you you
I do believe you you you
I believe you (Hey)

I do believe you you you
I do believe you you you
I do believe you
I do believe believe

I do believe believe
believe believe
I do believe you
I do believe you

I do believe you you you (I do believe you)
Whoa
Yeah
I do believe you you
