[JD Relic]

Yeah (7X)

[Hoon]

Oh, so we came a long way from the darkest night  
Still I don't wanna fight you no more, I'm so tired

[Kiseop]

Oh, so we came a long way  
And I hate to see you cry

[Eli]

As the days fly by and the tears in your eyes  
telling me goodbye

[DongHo]

Some days I don't feel like trying  
Some days I can't take the lying  
Today's the day that I'll be flying away, yeah

[SooHyun]

I gave you all that you needed  
So why do I feel defeated?  
And now my heart is depleted  
Can't find my way (hey, hey)

Stop, girl, in the name of love  
Stop, girl, in the name of love (hey, hey)  
Stop, girl, in the name of love

[Kevin]

And just like a dream I know your love isn't real

[JD Relic]

Yeah (4X)

[Eli]

I got you cornered girl, where you gonna go?  
Up against the wall like an animal  
Breathe deep, show your teeth underneath the lies I know your love could be one a kind, girl

[Kiseop]

And I know that karma's coming back for you  
Baby, this is just a game for two

[Hoon] (You) You know better now, now

[Kevin]

Some days I don't feel like trying  
Some days I can't take the lying  
Today's the day that I'll be flying away, yeah

[SooHyun]

I gave you all that you needed  
So why do I feel defeated?  
And now my heart is depleted  
Can't find my way (hey, hey)

Stop, girl, in the name of love  
Stop, girl, in the name of love (hey, hey)  
Stop, girl, in the name of love

[SooHyun]

And just like a dream I know your love isn't real

[JD Relic]

Don't wanna push you away again  
No choice even know you're my only friend  
Someone told me that you're lying to me again  
Like a note that you always forget to send  
Seal me up then send me away  
Maybe we can tried again another day  
Till then the only words that I gotta say  
You're tripping, girl,  
Get up and get out of my way

Stop, girl, in the name of love

[Kevin] Baby, don't you care about the way you're making me feel

Stop, girl, in the name of love (hey, hey)  
Stop, girl, in the name of love

[JD Relic]

And just like a dream I know your love isn't real

[JD Relic]  
You're saying that you're busy  
But your time is up  
Don't ever try to call me  
'Cause I won't pick up

[JD Relic]  
You're saying that your busy  
But your time is up  
Don't ever try to call me  
'Cause I won't pick up

Stop, girl, in the name of love

Submitter's comments:Â

This is Track #6 in the "Stop Girl" Mini-Album. They have made a number of changes in the lyrics from the Korean version so I have decided to post this version as well.
