I love you most  
When we share a phase  
Of special good times together  
It seems like our love can't get much better (No...)

Coz we were as close as two could be  
I knew love could last forever  
We're more than just lovers  
We're good friends

[refrain 1]  
And even if our love could drift away  
I wouldn't even think twice  
If I wanted love back again

[chorus]  
Because I'd still say yes to you again  
My Darlin' for you, I do it all again  
Yes, I'd still say yes to you again  
Darlin' for you, I do it over and over again (Say  
yes..oh-oh)

Where does it go  
How does it end  
True love it seems so easy  
I'coz we have no doubts  
Where we belong

[refrain 2]  
They say time can heal a broken heart  
And true love never ends  
So why not start where we begin

[chorus]  
Because I'd still say yes to you again  
My Darlin' for you, I do it all again  
Yes, I'd still say yes to you again  
Darlin' for you, I do it over and over again (Say  
yes..oh-oh)

Say yes  
Over and over...ohhh

Say yes...ohh

[refrain 2]

They say time can heal a broken heart  
And true love never ends  
So why not start where we begin

[chorus]

Because I'd still say yes to you again  
My Darlin' for you, I do it all again  
Yes, I'd still say yes to you again  
Darlin' for you, I do it over and over again (Say  
yes..oh-oh)

Over and over...  
Say yes...say yes to me baby...

Say yes to you again  
My Darlin' for you, I do it over and over again.  
Say yes.....
