When I close my eyes all I see  
Are visions of you  
Laughter in the air  
playing games  
Thats the way it use to be.

But since you been away from me baby  
I cant get you off my mind  
so I sending you

I'm sending you a rose straight from my heart  
My love  
I'm sending you a rose straight from my heart  
From my heart

I know you think  
I take your love for granted  
And it might seem  
That I dont even care

Thou at times i try to tell you  
just how i feel  
but the words dont come out right  
sooo

I'm sending you a rose straight from my heart  
my love  
I'm sending you a rose straight from my heart  
from my heart

This rose is a token of my love  
to reassure you i still care  
for every moment i'm away from you  
now matter how far i go  
you'll always be a special part of me

I'm sending you a rose straight from my heart  
my love  
i'm sending you a rose straight from my heart  
from my heart  
from my heart

from my heart  
from my heart  
from my heart  
my heart

straight from my heart
