You're never wrong
You're always right
You're never wrong
You're always right
You're never wrong

You don't think about what you say you just say anything
Think before you talk gotta learn to crawl before you can walk

Speak your mind that's ok
But think a little harder about the things you say
And if you don't shut the FUCK UP!

You don't think about what you say you just say anything
Think before you talk gotta learn to crawl before you can walk

I can't listen to your shit
Your point of view I'll never get
I can't listen to your shit
Your point of view I'll never get

Sometimes you just sound so foolish
Sometimes you sound so dumb
You're never wrong
You're always gotta be number one
Sometimes you just sound so foolish
Sometimes you sound so dumb
You're never wrong

You don't think about what you say you just say anything
Think before you talk gotta learn to crawl before you can walk
