Now cool kid I'm like ya I rock aight?
Slow-mo off the robo that's in my sprite
V-neck go bro hat so clean
It's the reason that yo girl grabbin' on my jeans
Bro, hella songs you can check my archive
I got more gigs than an xbox hard drive
Imma pop a pill and get at my mother
And I ain't talkin' two three when I be in my zone
It's a bad conversation that's in my door
And I love it when bad chicks text my phone
At the function the party calm down
