You say you want diamonds on a ring of gold
You say you want your story to remain untold

But all the promises we made
From the cradle to the grave
When all I want is you

You say you'll give me a highway with no one on it
A treasure just to look upon it
All the riches in the night

You say you'll give me eyes in a world of blindness
A river in a time of dryness
A harbour in the tempest

But all the promises we make

From the cradle to the grave
When all I want is you

You say you want your love to work out right
To last with me through the night

You say you want diamonds on a ring of gold
Your story to remain untold
Your love not to grow cold

All the promises we break
From the cradle to the grave
When all I want is you

You
All I want is...you
All I want is...you
All I want is...you
