You say you want a diamond on a ring of gold
You say you want your story to remain untold

All the promises we made from the
Cradle to the grave
When all I want is you

You say you'll give me a highway with no-one on it
Treasure just to look upon it
All the riches in the night
You say you'll give me eyes on a moon of blindness
A river in a time of dryness
A harbour in the tempest

All the promises we made from the
Cradle to the grave

When all I want is you

You say you want your love to work out right
To last with me through the night
You say you want a diamond on a ring of gold
Your story to remain untold
Your love not to grow old

All the promises we made from the
Cradle to the grave
When all I want is you

All I want is you
