Say goodnight, she waits for me to
Put out the lights
Lay there still
She waits to break my will

Yes, if I know the truth about you

And in the daylights
A blackbird makes a violent sight
And when she is done
She sleeps beside the one

Yes, if I know the truth about you

See, if I see something

Yes, if I know the truth about you

Into the heart of a child
I stay awhile, I can go back
Into the heart of a child
I can smile, I can go back

Into the heart
Into the heart of a child
I can go back, I can stay a while
Into the heart, into the heart
