[Bono]

Ave Maria...where is the justice in this world?
(Where is the- where is the justi-)
The wicked make so much noise, mother
The righteous stay oddly still
With no wisdom, all of the riches in the world leave us
poor tonight

[Pavarotti]

Ave Maria
Gratia plena
Maria, gratia plena
Maria, gratia plena
Ave, ave dominus tecum

[Bono]

And strength is not without humility
Its weakness, an untreatable disease
And war is always the choice
Of the chosen who will not have to fight
