Soul wind blow  
Soul wind blow  
Soul wind blow  
Blow by blow

Under her skin I feel her laughing  
Under her nails a piece of me  
Under her weight I feel weightless  
Under her sheets a friend and enemy

Soul wind blow  
Soul wind blow  
Soul wind blow  
Blow by blow  
In the drift we come  
In the drift we go...

Under her wings I feel I'm flying  
Under her breath I hear my name  
Under her spell I'm going under  
Under her eyes...I disappear

Soul wind blow  
Soul wind blow  
Soul wind blow  
Blow by blow  
You blow me away, blow me away

In the drift we come  
In the drift we go...  
In the drift we come  
In the drift we go...

Soul wind blow  
Soul wind blow  
Soul wind blow  
Blow by blow

Under her roof I feel shelter  
Under her hands I feel as clay  
Under her weight I feel weightless Under her clock time

goes away
