C'mon everybody let's get together tonight  
I got some money in my jeans and I'm really gonna  
spend it right  
Been a-doin' my homework all week long  
The house is empty, the folks are gone  
Ooo C'mon everybody

Well my baby's number one but I'm gonna dance with  
three or four  
And the house'll be shakin' from my bare feet slappin'  
the floor  
When you hear that music you can't sit still  
If your brother won't rock you then your sister will  
Ooo C'mon everybody

Well we'll really have a party but we gotta put a guard  
outside  
If my folks come home I'm afraid they're gonna have  
my hide  
They'll be no more movies for a week or two  
No more runnin' round with the usual crew  
Who cares C'mon everybody

C'mon everybody  
C'mon everybody
