You can reach  
But you can't grab it  
You can hold it, control it  
No, you can't bag it

You can push  
(You can push)  
But you can't direct it  
(But you can't direct it)  
Circulate, regulate, oh no  
You can't connect it  
(You cannot connect it)

You know you're chewing bubblegum  
You know what that is  
But you still want some  
You just can't get enough  
Of that lovie dovie stuff

Let's go  
Let's go  
Discotheque

Let's go  
Let's go  
Let's go  
Discotheque

You get confused  
But you love it  
Yeah, you hurt for it, work for it, love  
You don't always show it

You want to be the one  
But you know you're someone else instead  
You want to be the song  
Be the songs you're hearing, yeah

Let's go  
Let's go  
Discotheque

Go go  
Go go  
Discotheque  
(Discotheque)

Love...

Love...(Discotheque)

Love...(Discotheque)

(You want heaven in your heart)  
(Heaven in your heart)

But you take what you can get  
'Cause it's all that you can find  
But you know there's something more  
Tonight, tonight, tonight

Ha...ha...  
Ha...ha...  
Ha...ha...  
Ha...

(Boom) (Boom)  
[Repeat 8 times]

Let's go  
Let's go  
Discotheque

Go go  
Go go  
Discotheque

Love...

Love...

Love...(Discotheque)

Love...(Discotheque)

Love.
