"Electrical Storm"

The sea it swells like a sore head
And the night it is aching
Two lovers lie with no sheets on their bed
And the day it is breaking

On rainy days, we'd go swimmin' out
On rainy days, swimming in the sound
On rainy days, we'd go swimmin' out

You're in my mind all of the time
I know that's not enough
If the sky can crack
There must be some way back
For love and only love

Electrical storm, electrical storm
Baby don't cry

Car alarm won't let ya back to sleep
You kept awake dreaming someone else's dream
Coffee is cold, but it'll get you through
Compromise, that's nothing new to you

Let's see colors that have never been seen
Let's go to places no one else has been

You're in my mind all of the time
I know that's not enough
Well if the sky can crack
There must be some way back
To love and only love

Electrical storm, electrical storm
Electrical storm, baby don't cry

It's hot as hell honey, in this room
Sure hope the weather will break soon
The air is heavy, heavy as a truck
Need the rain to wash away our bad luck

Well, if the sky can crack
There must be some way back

To love and only love

Electrical storm, electrical storm

Electrical storm

Baby don't cry, baby don't cry

Baby don't cry, baby don't cry
