"Every Breaking Wave"

Every breaking wave
on the shore till the next one
there'll be one more

Every gambler knows
that to lose
is what you're really there for

Somewhere else, fearlessness
now I'm speaking to an answerphone

Every falling leaf on the breeze
winter wouldn't leave her alone

Ay hey now! Ay hey now

I don't know if I'm that strong
I don't know if I'm that strong

Don't know if I'm that strong
To be somebody to need someone

Every sailor knows
that the sea is a friend made enemy

Every shipwrecked soul
knows what it is
to live without intimacy

I thought I heard the master's voice
It's hard to listen when you preach
Like every broken wave on the shore
This is as far as I can reach

Ay hey now! Ay hey now

I don't know if I'm that strong
I don't know if I'm that strong

Don't know if I'm that strong
Got to be somebody to need someone

The waves know we're on the rocks
Drowning is no sin

You know my heart is the same place
yours has been

We know the fear
with the end
before it begins

aahâ€|aahâ€|aahâ€|aah
aahâ€|aahâ€|aahâ€|ooohâ€|oooh
aahâ€|aahâ€|aahâ€|aah
aahâ€|aahâ€|aahâ€|ooohâ€|oooh

The waves know we're on the rocks
Drowning is no sin

We'll know
my heart is the same place
yours has been

We know the fear
with the end
before it begins
