Falling falling
The sun is burning black
Falling falling
It's beating on my back
With a fire
With a fire

Falling falling
The moon is running red
Falling falling
It's pulling me instead
With a fire
Fire

But there's a fire inside
When I'm falling over
There's a fire in me
When I call out
I built a fire

I'm going home

Falling falling
The stars are falling down
Falling falling
They knock me to the ground
With a fire
Fire

But there's a fire inside
When I'm falling over
There's a fire in me
When I call out
There's a fire inside
When I'm falling over
I feel the fire
I'm going home
