Grace  
She takes the blame  
She covers the shame  
Removes the stain  
It could be her name

Grace  
It's a name for a girl  
It's also a thought that  
Changed the world

And when she walks on the street  
You can hear the strings  
Grace finds goodness  
In everything

Grace  
She's got the walk  
Not on a wrapper on chalk  
She's got the time to talk

She travels outside  
Of karma, karma  
She travels outside  
Of karma

When she goes to work

You can hear the strings  
Grace finds beauty  
In everything

Grace  
She carries a world on her hips  
No champagne flute for her lips  
No twirls or skips  
Between her fingertips

She carries a pearl  
In perfect condition  
What once was hers  
What once was friction

What left a mark  
No longer stains

Because grace makes beauty  
Out of ugly things

Grace finds beauty  
In everything

Grace finds goodness  
In everything
