I heard there was a secret chord  
That david played to pleased the lord  
But you don't really care for music do you  
It goes like this, the fourth the fifth  
The minor fall and the major lift  
The baffled king composing, hallelujah

Your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew you  
She tied you to a kitchen chair  
She broke your throne, she cut your hair  
And from your lips she drew the hallelujah

Hallelujah, hallelujah, hallelujah, hallelujah

You say I took the name in vain  
Well I don't even know the name  
But if I did, well really, what's it to you  
There's a blaze of light in every word  
It doesn't matter which you heard  
The holy or the broken, hallelujah

Hallelujah...

I did my best, it wasn't much  
I couldn't feel so I learned to touch  
I've told the truth, I didn't come to fool you  
And even though it all went wrong  
I'll stand before the lord of song  
With nothing on my lips, hallelujah

Hallelujah, hallelujah, hallelujah, hallelujah  
Hallelujah, hallelujah, hallelujah, hallelujah

Well, maybe there's a God above  
But all I ever learned from love  
Was how to shoot at someone who outdrew you  
And it's no complaint you hear tonight  
It's not some pilgrim who's seen the light  
It's a cold and broken hallelujah

Hallelujah, hallelujah, hallelujah, hallelujah  
Hallelujah, hallelujah, hallelujah, hallelujah
