She's a rainbow and she loves the peaceful life
Knows I'll go crazy if I don't go crazy tonight
There's a part of me in the chaos that's quiet
And there's a part of you that wants me to riot
Everybody needs to cry or needs to spit
Every sweet tooth needs just a little hit
Every beauty need to go out with an idiot
How can you stand next to the truth and not see it?

A change of heart comes slow
It's not a hill, it's a mountain
As you start out the climb
Do you believe me, or are you doubting
We're gonna make it all the way to the light
But I know I'll go crazy if I don't go crazy tonight

Every generation gets a chance to change the world
Pity the nation that will listen to your boys and girls
'Cos the sweetest melody is the one we haven't heard

Is it true the perfect love drives out all fear?
The right to appear ridiculous is something I hold dear

Oh, but a change of heart comes slow
It's not a hill, it's a mountain
As you start out the climb
Listen for me, I'll be shouting
We're gonna make it all the way to the light
But I know I'll go crazy if I don't go crazy tonight

Baby, baby, baby, I know I'm not alone
Baby, baby, baby, I know I'm not alone
It's not a hill, it's a mountain
As you start out the climb
Listen for me, I'll be shouting
Shouting to the darkness, squeeze out sparks of light
You know we'll go crazy if we don't go crazy tonight

Oh oh
Slowly now
Oh oh
