Instant karma's gonna get you  
Gonna knock you right on the head  
You better get yourself together  
Pretty soon you're gonna be dead

What in the world you thinking of  
Laughing in the face of love?  
What on earth you tryin' to do?  
It's up to you, yeah you

Instant karma's gonna get you  
Gonna get you right in the face  
Better get yourself together darlin'  
Join the human race

How in the world you gonna see  
Laughin' at fools like me?  
What on earth you think you are?  
A super star? Well, right you are!

We all shine on  
Like the moon and the stars and the sun  
We all shine on  
On and on and on!

Instant karma's gonna get you  
Gonna knock you off your feet  
Better recognize your brothers  
Everyone that you meet

Why in the world are we here?  
Surely not to live in pain and fear  
Why on earth are you there  
When you're everywhere?  
Come get your share!

We all shine on  
Like the moon and the stars and the sun  
We all shine on  
On and on and on and on

We all shine on

Like the moon and the stars and the sun  
Yeah we all shine on  
Come on and on and on and on!

Shine on  
Shine on  
Shine on  
Come on and on and on and on!
