I have got you under my skin
I've got you deep in the heart of me
So deep in my heart, you're nearly a part of me
I've got you under my skin

I have tried so not to give in
I have said to myself this affair
Never gonna go so well

But why should I try to resist
When, baby, I know so well
That I've got you under my skin

I would sacrifice anything come what might
For the sake of holding you near
In spite of a warning voice that comes in the night
It repeats and it shouts in my ear

Don't you know blue-eyes
You never can win
Use your mentality
Wake up to reality

But each time I do
Just the thought of you
Makes me stop before I begin

'Cause I've got you under my skin

I'd sacrifice anything come what might
For the sake of having you near
In spite of a warning voice that comes in the night
It repeats and it shouts in my ear

Don't you know, you old fool
You never can win?
Use your mentality
Wake up to reality

But each time that I do
Just the thought of you
Makes me stop before I begin

'Cause I've got you under my skin
And I love you
(When you're)
Under my skin
