Let's Call the Whole Thing Off
by Ira Gershwin

You say "either" and I say "either"
You say "neither" I say "neither" "
Either" "either", "neither" "neither"
Let's call the whole thing off
You say "potato," I say "patattah"
You say "tomato", I say "creole tomata"
Oh, let's call the whole thing off
Oh, if we call the whole thing off
Then we must part and oh
If we ever part, that would break my heart
So, I say "ursta" you say "oyster"
I'm not gonna stop eatin' urstas just cause you say
oyster,
Oh, let's call the whole thing off
Oh, I say "pajamas", you say "pajamas"
Sugar, what's the problem?
Oh, for we know we need each other so
We'd better call the calling off off
So let's call it off, oh let's call it off
Oh, let's call it off, baby let's call it off
Sugar why don't we call it off,
I'm talking baby why call it off
Call it off
Let's call the whole thing off
