Lookin' for to save my, save my soul  
Lookin' in the places where no flowers grow  
Lookin' for to fill that god shaped hole  
Mother, mother sucking rock and roll, mother  
Holy dunc, space junk comin' in for the splash  
Been around back, been around front  
We've got wild white funky dopes on punk staring into  
the flash  
Been around back, been around front  
Lookin' for the baby Jesus under the trash  
Been around back, been around front  
Mother, mother sucking rock and roll, mother  
Mother hopping sugar popping dropping rock and roll  
(Happy mother), mother  
Mother, mother, mother  
Mother, mother, mother

Mother, am I still your son  
You know I'm waiting for so long to hear you say so  
Mother, you left and made me someone  
Now I'm still a child but no one tells me no

Lookin' for a sound that's gonna drown out the world  
Been around back, been around front  
Lookin' for the father of my two little girls  
Been around back, been around front  
Got the swing, got the sway, got my straw in lemonade  
Been around back, been around front  
I'm still looking for the face I had before the world  
was made  
Been around back, been around front  
Mother, mother sucking rock and roll, mother  
Bubble poppin', sugar droppin' rock and roll, mother  
Mother sucking, fucking rock and roll, mother  
Mother, mother, mother  
Mother, mother, mother

Soothe me mother  
Move me father  
Move me brother  
Woo me sister  
Soothe me mother

Move me father  
Show me mother  
Show me mother  
Show me mother  
Show me mother  
Show me mother  
Show me mother
