Never Find Someone Like You

Girl, you take my breath away
And then I'm with someone new
I'd rather be here with you
Baby forever

My heart belongs to you
'Cos I think about you all the time
I know my love is true
When we're together

I've played around, girl
And I made you cry
When I looked up
You were saying goodbye

I'm begging you, please
I need you so bad
Don't leave me now
You're the best that I had

*I'll never
I'll never met someone like you
No, I'll never
I'll never find someone like you
Girl, I love the way that you hold
Girl, I won't, no I won't let you go
No one could ever do
The way I will make love to you

All I have is just my heart
And my feelings I give to you
That's all that I can do
Give you forever

Oh, you don't know that you're hurting me
'Cos It's not just a sexual thing
I want to share my dreams
Baby together

Girl, I'm afraid just to give it up now
My heart's tellin' me to hold back on my love
But when you get close. I just want you to know
I start to get weak and I can't let you go

(Repeat *)

Just your smile
Tell you now
Girl, I'll never let you down
Won't let you down
I won't never find no one
That compares to you

I'll never find someone like you
I promise it's true
I will never
I'll never find someone like you
Baby, yeah

Girl, I love the way that you hold
Girl, I won't, no I won't let you go
I'll never find someone like you
And I promise to honor you

I'll never
I'll never find someone like you
I promise it's true
No, I'll never
I'll never find someone like you

Girl, I love the way that you hold
Girl, I won't, no I won't let you go If I would spend my
life through I won't ever find someone like you
