Baby, please, baby please don't go  
I got flies to feed, they want skin and seed  
And don't make me crawl.

Please  
Baby don't bite your lip  
Give you half what I got  
If you untie the knot  
It's a promise.

Salom, Salom  
Shake it, shake it, shake it, Salom.  
Shake it, shake it, shake it, Salom.  
Shake it, shake it, shake it, Salom.

Baby please  
Baby what's that tune?  
Well I heard it before  
When I crawled from your door  
And my blood turned blue.

Please  
Baby please slow down  
Baby I feel sick  
Don't make me stick to a promise.

Salom, Salom  
Salom, Salom  
Shake it, shake it, shake it, Salom.  
Salom, shake it, shake it, shake it, Salom.  
Salom, shake it, shake it, shake it, Salom.

Baby please, baby don't say no.  
Won't you dance for me, under the cherry tree?  
Won't you swing down low?

Please  
Baby please say yes  
Baby don't go away  
You're spilling me  
And your precious love.

Salom, Salom  
Shake it, shake it, shake it, Salom.  
Shake it, shake it, shake it, Salom.  
Salom, shake it, shake it, shake it, Salom.  
Salom, shake it, shake it, shake it, Salom. Salom, shake  
it, shake it, shake it, Salom.
