Johnny, take a walk with your sister, the moon
Let her pale light in, to fill up your room
You've been living underground, eating from a can
You've been running away from what you don't
understand

She's slippy, you're sliding down
She'll be there when you hit the ground

It's alright, it's alright, it's alright
She moves in mysterious ways
It's alright, it's alright, it's alright
She moves in mysterious ways, oh

Johnny, take a dive with your sister in the rain
Let her talk about the things you can't explain
To touch is to heal, to hurt is to steal
If you want to kiss the sky, better learn how to kneel
On your knees, boy

She's the wave, she turns the tide
She sees the man inside the child

It's alright, it's alright, it's alright
She moves in mysterious ways
It's alright, it's alright, it's alright
She moves in mysterious ways, yeah, oh, ah

Lift my days, light up my nights, oh

One day you'll look back, and you'll see
Where you were held now by this love
While you could stand there
You could move on this moment, follow this feeling

It's alright, it's alright, it's alright
She moves in mysterious ways
It's alright, it's alright, it's alright
She moves in mysterious ways

Move you, spirits move you
Move, spirits move you, oh yeah

Does it move you? She moves with it
Lift my days, and light up my nights, oh
