There's a place I go  
And I'am far away  
There's a TV show  
And I can grow

Sometimes the hero takes me up  
Sometimes I don't let go

There's a picture book  
With more than moans and grunts  
There's a comic strip  
That makes me laugh

Sometimes I let it take me up  
Sometimes I don't let go  
I won't let go

Stories for boys  
Stories for boys  
Stories for boys  
Stories for boys  
Stories for boys

There's a place I go  
And it's so far away  
There's a radio  
And I will crawl  
Sometimes the hero takes me  
Sometimes I don't let go

Stories for boys  
Stories for boys  
Stories for boys
