I don't know
Man, I just got here
You got me thinking
I'm about to leave

Some say maybe tomorrow
New direction, hello
What I know know know
What I know know know

I walk tall
I walk in the wild wind
I love to stare
I love to watch myself grow

Someday, maybe tomorrow
New direction, hello
Well I know know know
Well I know know know

Street mission
Street mission
Street mission
Street mission

And I'm promising nothing
I'm just living a smile
I casually arrange it
I know...well I know know know

Street mission
Street mission
Street mission
Street mission

I walk tall
I walk in the wild wind
I live an image
Of plastic and gold

Some say maybe tomorrow
A resurrection, hello

Well I know know know
Well I know know know
Well I know know know
Well I know know know

Oh...

Oh...

Oh...i need something
I need someone
I need you

Oh...i've got something
I've got someone
I've got you

Street mission
Street mission
Street mission
Good night
