When you stop seeing beauty  
You start growing old  
The lines on your face  
are a map to your soul  
When you stop taking chances  
You'll stay where you sit  
You won't live any longer  
But it'll feel like it  
I lost myself in the summer rain  
I lost myself  
I lost myself in the summer rain  
In the summer rain  
Tequila and Orange  
Jamaica and rum  
At the Morella  
Honey on my tongue  
In a small boat on a generous sea  
You let me be your enemy  
Tiny hand  
With a grip on the world  
Holding our breath now  
Diving for pearls  
I lost myself in the summer rain  
I lost myself  
I lost myself in the summer rain  
Just as you find me  
Always I will be  
A little bit too free  
With myself  
Just as you find me  
Always I will be  
A little bit too free  
With myself  
I lost myself in the summer rain  
I lost myself  
Now there's no one else  
In the summer rain  
Raining down  
Raining down  
Rain  
Raining now  
Raining now

Just as you find me  
Always I will be  
A little bit too free  
With myself  
Just as you find me  
Always I will be  
A little bit too free  
With myself  
It's not why you're running  
It's where you're going  
It's not what you're dreaming  
But what you're gonna do  
It's not where you're born  
It's where you belong  
It's not how weak  
But what will make you strong
