Six o'clock in the morning, you're the last to hear the
warning

You been tryin' to throw your arms around the world
You been falling off the sidewalk, your lips move but
you can't talk

Tryin' to throw your arms around the world

Gonna run to you, run to you, run to you, be still
Gonna run to you, run to you, woman, I will

Sunrise like a nose-bleed, your head hurts and you
can't breathe

You been tryin' to throw your arms around the world
How far are you gonna go before you lose your way
back home

You been tryin' to throw your arms around the world

Gonna run to you, run to you, run to you, be still
Gonna run to you, run to you, woman, I will

Yeah I dreamed that I saw Dali with a supermarket
trolley

He was tryin' to throw his arms around a girl
He took an open top beetle through the eye of a needle
He was tryin' to throw his arms around the world

I'm gonna run to you, run to you, run to you, woman be
still

I'm gonna run to you, run to you, run to you, woman, I
will

Nothing much to say, I guess; just the same as all the
rest

Been tryin' to throw your arms round the world
And a woman needs a man like a fish needs a bicycle
When you're tryin' to throw your arms around the world

Gonna run to you, run to you, run to you
I'm gonna run to you, run to you, run to you
I'm gonna run to you, run to you, run to you, woman be
still

Woman be still, woman be still, woman I will
