I know a girl, a girl called Party  
Party girl  
I know she wants more than a party  
Party girl  
And she won't tell me her name  
I know a boy, a boy called Trash  
Trash Can  
I know he does all that he can  
Wham Bam  
And he won't tell me his name  
I have a heart, a heart that's beating inside  
When I was three I thought the world revolved around  
me  
I was wrong  
And so I sing along  
And if you dance, then dance with me  
I know a girl, a girl called Party  
Party girl  
I know she wants more than a party  
Party girl  
I know a boy, a boy called Trampoline  
You know what I mean  
I think you know what he wants  
I think he knows what he wants  
I think he knows what he wants
