Six o'clock in the morning, you're the last to hear the
warning
You been tryin' to throw your arms around the world.
You been falling off the sidewalk, your lips move but
you can't talk
Tryin' to throw your arms around the world.

Gonna run to you, run to you, run to you; be still.
Gonna run to you, run to you, woman, I will.

Sunrise like a nose-bleed, your head hurts and you
can't breathe
You been tryin' to throw your arms around the world.
How far are you gonna go before you lose your way
back home
You been tryin' to throw your arms around the world.

Gonna run to you, run to you, run to you; be still.
Gonna run to you, run to you, woman, I will.

Yeah I dreamed that I saw Dali with a supermarket
trolley
He was tryin' to throw his arms around a girl.
He took an open top beetle through the eye of a needle
He was tryin' to throw his arms around the world.

I'm gonna run to you, run to you, run to you, woman be
still.
I'm gonna run to you, run to you, run to you, woman, I
will.

Nothing much to say, I guess; just the same as all the
rest
Been tryin' to throw your arms round the world.
And a woman needs a man like a fish needs a bicycle
When you're tryin' to throw your arms around the world.

Gonna run to you, run to you, run to you
I'm gonna run to you, run to you, run to you
I'm gonna run to you, run to you, run to you, woman be
still

Woman be still, woman be still, woman I will
