The heart is a bloom, shoots up through stony ground
But there's no room, no space to rent in this town
You're out of luck and the reason that you had to care
The traffic is stuck and you're not moving anywhere

It was a beautiful day
Beautiful day

You thought you'd found a friend to take you out of this
place
Someone you can lend a hand in return for grace

It's a beautiful day, day
Sky falls, you feel like it's a beautiful day, day
Don't let it get away

You're on the road but you've got no destination
You're in the mud, in the maze of her imagination
You love this town even if that doesn't ring true
You've been all over and it's been all over you

It's a beautiful day, day
Don't let it get away
It's a beautiful day, day

Woo hoo hoo, day
Woo hoo hoo, day
Woo hoo hoo, day
Woo hoo hoo

See the world in green and blue
See China right in front of you
See the Canyons broken by a cloud
See the tuna fleets clearing the sea out

See the Bedouin fires at night
See the oil fields at first light
And see the bird with a leaf in her mouth
After the flood all the colors came out

It was a beautiful day

It was a beautiful day
Woo hoo hoo
Woo hoo hoo

It was a beautiful day, day
Don't let it get away
Beautiful day, day

Touch me, take me to that other place
Reach me, I know I'm not a hopeless case

What you don't have, you don't need it now
What you don't know, you can feel it somehow
What you don't have, you don't need it now
Don't need it now, was a beautiful day

Oh oh oh, warm in the sun
While I ease you, my summer
