Sunshine, sunshine  
Sunshine, sunshine

Oh, oh  
Oh, oh

I was lost between the midnight and the dawning  
In a place of no consequence or company  
3:33 when the numbers fell off the clock face  
Speed dialling with no signal at all

Go, shout it out, rise up  
Oh, oh  
Escape yourself, and gravity  
Hear me, cease to speak that I may speak  
Shush now  
Oh, oh  
Force quit and move to trash

I was right there at the top of the bottom

On the edge of the known universe where I wanted to  
be  
I had driven to the scene of the accident  
And I sat there waiting for me

Restart and re-boot yourself  
You're free to go  
Oh, oh  
Shout for joy if you get the chance  
Password, you, enter here, right now

Oh, oh  
You know your name so punch it in  
Hear me, cease to speak that I may speak  
Shush now  
Oh, oh  
Then don't move or say a thing
