"Where The Streets..."

Visit "[Where The Streets...](#)" on [MotoLyrics.com](https://www.motolyrics.com)

I wanna run, I want to hide
I wanna tear down the walls that hold me inside
I wanna reach out and touch the flame
Where the streets have no name

I wanna feel sunlight on my face
I see the dust-cloud disappear without a trace
I wanna take shelter from the poison rain
Where the streets have no name

Where the streets have no name
Where the streets have no name

We're still building and burning down love
Burning down love
And when I go there, I go there with you
(It's all I can do)

The city's a flood and our love turns to rust
We're beaten and blown by the wind, trampled in dust
I'll show you a place, high on a desert plain
Where the streets have no name

Where the streets have no name
Where the streets have no name

We're still building and burning down love
Burning down love
And when I go there, I go there with you
(It's all I can do)
