Don't believe what you hear  
Don't believe what you see  
If you just close your eyes  
You can feel the enemy  
When I first met you girl  
You had fire in your soul  
What happened your face of melting in snow?  
Now it looks like this

And you can swallow  
Or you can spit  
You can throw it up  
Or choke on it  
And you can dream  
So dream out loud  
You know that your time is coming 'round  
So don't let the bastards grind you down

No, nothing makes sense  
Nothing seems to fit  
I know you'd hit out  
If you only knew who to hit  
And I'd join the movement  
If there was one I could believe in  
Yeah I'd break bread and wine  
If there was a church I could receive in  
'Cause I need it now

To take the cup  
To fill it up  
To drink it slow  
I can't let you go  
I must be an acrobat  
To talk like this  
And act like that  
And you can dream  
So dream out loud  
And don't let the bastards grind you down

Oh, it hurts baby  
What are we going to do? Now it's all been said

No new ideas in the house and every book has been  
read

And I must be an acrobat  
To talk like this  
And act like that  
And you can dream  
So dream out loud  
And you can find  
Your own way out  
And you can build  
And I can will  
And you can call  
I can't wait until  
You can stash  
And you can seize  
Responsibilities  
And I can love  
And I can love  
And I know that the tide is turning 'round  
So don't let the bastards grind you down
