See the stone set in your eyes  
See the thorn twist in your side  
I wait for you

Sleight of hand and twist of fate  
On a bed of nails she makes me wait  
And I wait without you

With or without you  
With or without you

Through the storm, we reach the shore  
You gave it all but I want more  
And I'm waiting for you

With or without you  
With or without you  
I can't live with or without you

And you give yourself away  
And you give yourself away  
And you give, and you give  
And you give yourself away

My hands are tied, my body bruised  
She got me with nothing to win  
And nothing else to lose

And you give yourself away  
And you give yourself away  
And you give, and you give  
And you give yourself away

With or without you  
With or without you  
I can't live  
With or without you

With or without you  
With or without you  
I can't live  
With or without you

With or without you
