You're The Only One That's Real

When you kiss me, are you breathless?
When you touch me, do you fall apart?
Do you shiver when you dream?
Is there a pounding in your heart?
When I talk do you hear?
When I cry do you care?
When I wake up in the morning do you want me there?

Chorus:

I want you to know me
I want you to hold me
To know who I am
What I want
When I feel you're the only one that's real
I want you to know me
I want you to hold me
Cause when we kiss
When we touch
That all I know
You're the only one that's real

Verse Two:

When you call me, are you smiling?
When you leave me, does it make you sad?
Is there an emptiness you feel?
When we're together are you glad?
A Silence you told me,
If I'm crazy console me,
Cause in each other's arms is where I wanna stay...

I want you to know me
I want you to hold me
To know who I am
What I want
When I feel you're the only one that's real
I want you to know me
I want you to hold me
Cause when we kiss
When we touch

That all I know
You're the only one that's real

You're the only one that's real...
The only one...

I want you to know me
I want you to hold me
To know who I am
What I want
When I feel you're the only one that's real
I want you to know me
I want you to hold me
Cause when we kiss
When we touch That all I know You're the only one
that's real
