(What do you want?)  
(What do you want?)  
(What do you want?)

Zooropa, vorsprung durch technik  
Zooropa, be all that you can be  
Be a winner  
Eat to get slimmer

Zooropa, a bluer kind of white  
Zooropa, it could be yours tonight  
We're mild and green  
And squeaky clean

(What do you want?)  
(What do you want?)  
(Put your [Incomprehensible])  
(What do you want?)  
(Put your [Incomprehensible])  
(What do you want?)  
(Put your [Incomprehensible])

Zooropa, better by design  
Zooropa, fly the friendly skies  
Through appliance of science  
We've got that ring of confidence

And I have no compass  
And I have no map  
And I have no reasons  
No reasons to get back

And I have no religion  
And I don't know what's what  
And I don't know the limit  
The limit of what we've got

Don't worry baby, it'll be alright  
You got the right shoes  
To get you through the night  
It's cold outside, but brightly lit  
Skip the subway let's go to the overground

Get your head out of the mud baby  
Put flowers in the mud baby  
Overground

No particular place names  
No particular song  
I've been hiding  
What am I hiding from

Don't worry baby, it's gonna be alright  
Uncertainty can be a guiding light  
I hear voices, ridiculous voices  
Out in the slipstream  
Let's go, let's go overground  
Take your head out of the mud baby

She's gonna dream up  
The world she wants to live in  
She's gonna dream out loud  
She's gonna dream out loud  
Dream out loud
