I'm an innocent victim, I'm just like you
We end up in home units with a brick wall view
I can't believe the perfect families on my color TV
If I don't make it to the top, it'll never bother me

And I don't wanna be the one
And I don't wanna be the one
And I don't wanna be the one
And I don't wanna be the one

[Incomprehensible] path
I'm waiting out the back while the corporates attack
Assaults the senses with relentless scenes, of passion
and delight
Cut up all the options and went running for my life

And I don't wanna be the one, no, no
And I don't wanna be the one
And I don't wanna be the one, wanna be the one
And I don't wanna be the one, wanna be the one

And I don't wanna be the one
And I don't wanna be the one
And I don't wanna be the one
And I don't wanna be the one

And I don't wanna be the one
And I don't wanna be the one
And I don't wanna be the one
And I don't wanna be the one

Wanna be the one

I don't wanna be the one
[Incomprehensible]
