What do we want, are we gonna be the winners or the losers?  
And who do we hear, do we listen to the beggars or the choosers?

We're getting no reaction, we haven't heard a word  
You're almost but not quite more than we deserve

So what do we want, are we gonna be the doers or the talkers?  
And where do we go, can we separate the runners from the walkers?

We're getting no reaction, we haven't heard a word  
You're almost but not quite more than we deserve

So what do we do, do we wanna be the givers or the takers?  
And who do we hear, do we listen to the movers or the makers?

So so what do we want, who do we hear?  
Where do we go and what can we do?  
And what would you say if it was all up to you, to you?

We're getting no reaction, we haven't heard a word  
You're almost but not quite more than we deserve

We're getting no reaction, we haven't heard a word  
You're almost but not quite more than we deserve  
We deserve
