Breaking me down
Breaking me down

Breaking me down
Lunatic noises
Breaking me down
Desperate voices

Breaking me down
The phone is blistering
Breaking me down
Death by listening

Somebody's out there
Somebody's waiting
Somebody's out there
Somebody's waiting

Somebody's out there
Somebody's waiting
Somebody's out there
Somebody's waiting

Somebody's trying to tell me something
Sombdy
Somebody's trying to talk to me
Somebody's trying to tell me something
Somebody's trying to talk, talk to me

Cracking me up
Silence threatening
Cracking me up
The storm is deafening

Cracking me up
The pressure brought to bear
Cracking me up
And now I'm getting there

Somebody's out there
Somebody's waiting
Somebody's out there

Somebody's waiting

Somebody's out there
Somebody's waiting
Somebody's out there
Somebody's waiting

Somebody's out there
Watching and waiting
[Incomprehensible]
Somebody's watching

Somebody's out there
Somebody's waiting
Somebody's out there
Somebody's waiting

[Incomprehensible]

Breaking me down
Somebody
Cracking me up
Somebody
Somebody
Breaking me down
Breaking me down
