Oh the news will travel slowly  
Over broken glass  
And I'll bet you've heard that story  
Under the overpass

Got no time to weep for something  
You'll never get back  
If you're feeling cold and lonely  
Under the overpass

Hallelujah, Hallelujah  
Under the overpass

Dingo howl in the middle of the night  
Snake skin crawl under desert sunlight  
I wish and I hope someone's there  
To drink from the soak  
In the town where I hit the ground  
It's the town with the full nelson sound

Yeah the news will travel slowly  
Over broken glass  
Time and again your gonna hear that story  
Under the overpass

Got no time to weep for something  
You can never get back  
If you're feeling cold and lonely  
Under the overpass

You can never get back  
If you're feeling sad and lonely  
Under the overpass

Hallelujah, Hallelujah  
Hallelujah, Halle, Halle  
Hey, hey, hey, hey  
Hallelujah, Hallelujah  
Hallelujah  
Under the overpass  
Under the overpass
