She was, 36-24-40  
Centerfold stallion, the, life of the party  
All eyes on her, and that goes for me too  
Five-inch heels and a dress that's see-thru (dayum!)  
As soon as I saw her, I knew that it was time (it was time)

As soon as she saw me, she knew that she was mine  
(she was mine)  
If this is a dream, then I don't wanna wake  
and it this is as good as it seems, c'mon you gotta shake (gotta shake)  
Her body's not real, it look like Crumb drew here  
If she don't step to me, I finna run to her  
And off top, man, my mouth'll drop man  
For a minute, it felt like the world just stopped, man (dayum!)  
It started again, now I'm startin to feel  
like I could really give baby girl the heart of a trill  
And once you got the heart (heart), you got the dough  
But right now we gots to go, 'cause baby girl gots to know

That girl she got me way she movin in place  
Bendin in front of these people, with that butt in my face  
I want her bad as hell (hell), I'm so ready, cant you tell?  
I want her bad as hell (hell), I can't control it, cant you tell, baby?

They Boyz, we Men, they On Bended Knees  
Make her disappear, you ant the Texas Tea  
Girls in France like Texas D  
They say, "Ooooooh la la, ah-OUI-OUI!"

Well merci beaucoup, baby girl you know you  
got the hot butter that my knife gotta go through  
Sometimes it cuts slow, sometimes it cut quick  
It don't matter, because it's still good d\*\*k - c'mon

Shawty got me open now  
Shake and see what a playa holdin now  
Grippin the tight, she ready to own me now  
Takin her to the tele, to the mornin now  
And round and round I go  
When I come up and down, she go  
When she come, everybody know  
When we come, money's on the flo', baby

That girl she got me way she movin in place  
Bendin in front of these people, with that butt in my  
face  
I want her bad as hell (hell), I'm so ready, cant you tell?  
I want her bad as hell (hell), I can't control it, cant you  
tell, baby?
