she was 36 24 40

all eyes on her and that goes for me too  
five inch heels and a dress that's see through  
as soon as i saw her i knew that it was time  
as soon as she saw me she knew that she was mine  
if this is a dream then i don't wanna wake  
and if this is as good as it seems commone you gotta  
shake  
the body's not real it look like crunk drew her  
if she don't step to me im finna run to her  
and off top man my mouth just drop man  
for a minute it felt like the world just stopped man  
then started again and now im startin to feel like i  
could really give baby girl the heart of the trill  
cuz once you got the heart, you got the dough  
but right now we gots to go cuz baby girl gots ta know

that girl she got me the way she movin in place  
bendin over spreadin eagle all that ass in my face  
she got me hard as hell  
got me pokin like a nail  
she got me hard as hell  
i cant control it cant you tell baby

grippin the tire she ready to bone me now  
diggin up in that belly got her moanin now

when i come up and down she go  
when she cum everybody know  
when we cum moneys on the floor baby

that girl she got me the way she movin in place  
bendin over spreadin eagle all that ass in my face  
she got me hard as hell

i cant control it cant you tell baby

that girl she got me the way she movin in place  
bendin over spreadin eagle all that ass in my face  
she got me hard as hell  
got me pokin like a nail  
she got me hard as hell  
i cant control it cant you tell baby.
