So, I typed a text to a girl I used to see  
Sayin that I chose this cutie pie with whom I wanna be  
And I apologize if this message gets you down  
Then I CC'd every girl that I'd see see round town and  
I hate to see y'all frown but I'd rather see her smiling  
Wetness all around me, true, but I'm no island  
Peninsula maybe, makes no sense I know, crazy  
Give up all this pussy cat that's in my lap no lookin back  
Spaceships don't come equipped with rearview mirrors  
They dip as quick as they can  
The atmosphere is now ripped  
Im so like a Pip, Im glad it's night  
So the light from the sun would not burn me on my bum  
When I shoot the moon high, jump the broom  
Like a premie out the womb  
My partner yellin "Too soon! don't do it! Reconsider!  
Read some litera - ture on the subject  
You sure? Fuck it  
You know we got your back like chiroprac - tic  
If that bitch do you dirty  
We'll wipe her ass out as in detergent  
Now hurry hurry, go on to the altar  
I know you aint a pimp but pimp remember what I  
taught ya  
Keep your heart 3 stacks, keep your heart  
Aye, keep your heart 3 stacks, keep your heart  
Man, these girls is smart, 3 stacks, these girls is smart  
Play your part  
Play your part"

[Pimp C:]

Sweet jones

By bitch a choosey lover, never fuck without a rubber  
Never in the sheets, like it on top of the cover  
Money on the dresser, drive a compressor  
Top notch hoes get the most, not the lesser  
Trash like the fuck for 40 dollars in the club  
Fucking up the game, bitch you gets no love  
She be cross country givin all that she got  
A thousand a pop, Im pullin Bentleys off the lot  
I smashed up the grey one, bought me a red  
Every time we hit the parking lot we turn heads

Some hoes wanna choose but them bitches too scary  
Your bitch chose me, you aint a pimp you a fairy

[Chorus:]  
Ooooooohhh Ooooooohhh  
I choose you girl

[Bun B:]  
Baby you been rollin solo, time to get down with the  
team  
Because it's greener on that other side if you know  
what I mean  
I'll show you shit you've never seen  
The 7 wonders of the world  
And I can make you the 8th if you wanna be my girl  
When I say my girl I don't mean my woman, that aint  
my style  
Need a real streets stalker to walk a green mile  
We burnin up the paper on the dining room table  
Cause you able to realize I'm the truth and not a fable  
We rockin precious sable, keep that chilla on the rack  
What I look like with some thousand dollar shit up on  
my back  
Im a million dollar mack, need a billion dollar bitch  
Put my pimpin in your life, watch your daddy get rich  
Easy as A B C, simple as 1 2 3  
Get down with UGK, Pimp C, B U N B  
Cause what's a hoe with no pimp, and what's a pimp  
with no hoes  
Don't be a lame, you know the game and how it goes  
We tryin to get chose

[Chorus:]  
OOOoooooohhh Ooooooohhh  
I choose you girl

[Big Boi:]  
Eni mini decisions with precision I pick  
Or make my selection on who I choose to be with  
Girl don't touch my protection, I know you want it to slip  
But slippin is something I don't do, tippin for life?  
(Mmm mmm!)  
That's like makin it rain  
Every month on schedule (mmmHhmm!) Let me tell  
you  
Get your parasol umbrella cause it's gonna get wetter  
Better prepare you for the c support  
She supposed to spend it on that baby but we see she  
don't

[Chopped & Screwed]  
Ask ask Paul McCartney the lawyers couldnt stop it

Slaughter slaughter of them pockets, had to tie her to a  
rocket

Send her into outer space, I know he wish he could  
Cause he payin 20K a day, that b\*\*\*\*is eating good  
Like an infant on a double D titty just getting plump  
Cause he miscalculated the next to the last bump  
[Chopped & Screwed]

Dump dump in the gut, raw from the giddy up  
Better chose the right one or pick pick the kitties up

[Chorus:]

Oooooohhhh Oooooohhh  
I chose you girl

IIIIIII

I chose you baby
