PA, TA, and I keep yelling it, but ya'll don't hear me  
though  
On the cool, I'm trying to tell them it be  
The place that I be laying low, lamping in my hometown  
Niggaz ain't trippin', so I gets to keep my chrome down

And I be dippin' around the spots that niggaz pass  
Swisha's, serving to the fiends, calling me  
Mr. Big Buns, snatching checks from your momma  
Making dollars, hoes holla, hustling bring ya drama

Uh, but I don't sweat it fool, I come from where the best  
ride  
Ain't no punks where I'm from on that west side  
PA nigga, outta town with big nuts  
Where outta town motherfuckers lose they life on the  
cut

But we ain't trippin', pass that dipplin'  
And it's gonna be all right, soon as I get fried tonight  
Yeah bitch, I got ya ho, but ho I'll break ya knees  
Full of Dom Perignon, Amp water for the Gs

It's Dom Perignon, it's supposed to bubble  
It just be like that sometimes  
It's Dom Perignon, it's supposed to bubble  
It just be like that sometimes

It's Dom Perignon, it's supposed to bubble  
It just be like that sometimes  
It's Dom Perignon, it's supposed to bubble  
It just be like that sometimes

Well, I'm Pimp C bitch, I'm smoking big fat dank  
I don't fuck around, no mo with that goddamn drank  
But every time I get down with my nigga Big Mike  
We go and get a bottle of that Dom all night

I got that green monster baby, can you buy that?  
Plus I got swisha suit for days, you wanna try that?  
I roll them, most of them big and fat they look like ball  
bats

I live in P A T, the east side, niggas sayin' jack

These laws be trippin' 'cause they think I'm selling  
much crack

They just can't stand to see a nigga roll in Cadillac  
But I bought it in cash and I don't think that you can  
take it back

I feel like Goldie every day I think I'm living a Mac  
And I ain't trippin' flippin' then switches taking a trip to  
the 'Backs

'Cause my nigga D called me and said that bitch was  
gonna be packed

Yeah bitch, I got ya ho, but ho, I'll break ya knees  
Full of Dom Perignon, Amp water for the Gs

It's Dom Perignon, it's supposed to bubble  
It just be like that sometimes  
It's Dom Perignon, it's supposed to bubble  
It just be like that sometimes

It's Dom Perignon, it's supposed to bubble  
It just be like that sometimes  
It's Dom Perignon, it's supposed to bubble  
It just be like that sometimes
