Yeah, yeah, yeah  
It's the motherfuckin' infamous Pimpin' Ken  
Yeah, all you motherfuckin' hoes out there misguided,  
undecided  
Y'all need to come on and fuck with a pimp right

Yeah, if y'all keep them suckers off ya motherfuckin'  
mind  
Bitch, I can keep em' off ya motherfuckin' behind  
Check this out, bitch, ya understand  
Y'all need to quit playin' the motherfuckin' joker

And come on and pay a motherfuckin' pimp broker  
Yeah, ya know what I'm talkin' about  
Yeah, let it be Pimpin' Ken for the reason  
Ya understand I'll make it for the [Incomprehensible]

Know what I'm talkin' about, yeah, bitch please believe  
We can put it on the dotted line, Atlanta tied  
Ya know what I'm talkin' about, bitch  
(Yeah)  
Yeah, bitch, ya understand, tell that nigga ya  
understand

You ain't missin', bitch, you ain't on no milk carton  
You with pimpin', bitch, Pimpin' Ken that is  
Ho, ya know what I'm talkin' about  
(Yeah)  
Damn my nigga take off, J.D. we doin' this shit

Ya understand, better known  
As the motherfuckin' royal highness  
Ya understand, ya won't find us, ya understand  
And I'm feelin' hype too  
(Come on)

It's that lil' College Park nigga, in fact they call me Long  
Dough  
Niggas hate me 'cause I'm wearin' platinum every song  
go  
Hoes love me 'cause I, 'cause I keep it comin' strong

and yo  
I'm a pimp with mine every time I don't give a fuck who  
she is

Bitch, you can go get another  
'Cause they love us niggas in the fast life  
Niggas that can put it down  
And came up with they cash right

Keep 'em, keep 'em in the mall fresh, ball every night  
That's my life, I come through any time  
I want to and hit that ass right up like a flashlight  
Walkin' 'cause of all of my bling  
(Bling)  
One of the baddest motherfuckers that the game has  
seen

Think about it  
From the first time that ya heard me  
Way back in the 90s early  
Me and my pimpin' out here doin' our thing in Swat

I got the money, hoes and power  
We be in to see that ya cuttin', I'm all about cha'  
But if ya not up to the mix, girl, I ain't trippin'  
'Cause all day, all night, we steady pimpin', pimpin'

I got the money, hoes and power  
We be in to see that ya cuttin', I'm all about cha'  
But if ya not up to the mix, girl, I ain't trippin'  
'Cause all day, all night, we steady pimpin', pimpin'

Still smokin' out, pourin' up, keep these bitches hoin' up  
They break Pimp C long bread 'cause everything I touch  
be blowin' up  
Candy cars, I'm a star, choppin' blades, sippin' on bars  
Young pimp I'm from the South, run off put that piece in  
ya mouth

We Jone, fuck a clone  
Keep a lil' bitch on my phone  
All my cars blaze chrome  
Bitch, can't leave my dick alone, alone, alone

You ain't from no Memphis, bitch  
'Cause I was playin' Project Pat hittin' the switch  
Puttin' the dick up in ya dame  
Every time make her say my name

91, I been grippin' grain  
Bitch nigga wanna steal my fame, fame, fame

I be at home smokin' dro, dro  
And see a nigga doin' a dance on the video

But I'm young pimp, steak and shrimp, flyin' high like a  
blimp  
Write my name in the sky on track  
And tell the bitch to bring my money  
Back, back, back, back, bitch

He talkin' directly to you

I got the money, hoes and power  
We be in to see that ya cuttin' I'm all about cha'  
But if ya not up to the mix, girl, I ain't trippin'  
'Cause all day, all night, we steady pimpin', pimpin'

I got the money, hoes and power  
We be in to see that ya cuttin' I'm all about cha'  
But if ya not up to the mix, girl, I ain't trippin'  
'Cause all day, all night, we steady pimpin', pimpin'

Well, if it ain't cash then I don't want it  
I'm a million dollar striver, I get liver  
Then the pimps that push clock punchers nine to fivers  
A high diver, with mo' tricks up my sleeve than ya boy  
MacGuyver

A cadaver, that'll get cha' voted off my island like  
'Survivor'  
Is you blind, my pimpin' only gets better with age like a  
fine wine  
And it's time open up yo blinds [Incomprehensible] a  
pimp to shine  
Decide to yo mind, design

Two steps ahead of yo slow roll  
You best to get a grip on ya world, world  
Or we'll put that Miracle Whip on ya, girl  
Pimp her, let a trick sip on that pearl

Let her pay that is  
Ol' sucker for love, titty baby, mama's boy  
That's just the way that is

And that's the way that it's gonna be, gonna be  
So ya might as well take ya lil' Heartbreak Hotel reside  
Stuck in the mud, still ridin' ass off to mo' me  
'Cause uh

I got the money, hoes and power  
We be in to see that ya cuttin' I'm all about cha'

But if ya not up to the mix, girl, I ain't trippin'  
'Cause all day, all night, we steady pimpin', pimpin'

I got the money, hoes and power  
We be in to see that ya cuttin' I'm all about cha'  
But if ya not up to the mix, girl, I ain't trippin'  
'Cause all day, all night, we steady pimpin', pimpin'

Bounce, come on, bounce, come on, bounce  
Come on, keep bouncing  
Bounce, come on, bounce, come on, bounce  
Come on, keep bouncing  
Bounce, come on, bounce, come on, bounce
