[Bun B]

PA is the town, w here it's going down
Westside to the east, it's off the chain (chain)
I'm banging my surrounds, swinging on these clowns
Candy paint is dripping, leaving stains (stains)
You see the diamonds gripping on the grain (grain)
Chromed lady sitting on the grill (grill)
Leaning down the fifth, smoking on a piff
Drop the top and let 'em see the trill (trill)
UGK 4 Life, you better ask yo' wife
She'll tell you Bun and Pimp the re-al (real)
Light, mag, the knife, so if you acting shife
Then I'ma give ya something you could feel (feel)
Don't make me have to go and pull this steel (steel)
I cock it back and den I let it go (go)
And put one in ya dome, 'cause I be puttin' on
fo' my city, better let it know (know!)
